

## **APPROPRIATE USE OF THE NAJIT LOGO**

All members in good standing of the National Association of Judiciary Interpreters and Translators are entitled to the use of a special NAJIT logo on business cards and stationery to demonstrate their steadfast support of their professional association's mission to promote and uphold the highest professional standards in the fields of interpreting and translation.

This privilege does not extend to the creation of images with the NAJIT logo in the form of stamps, seals, or otherwise, to be used on any work product where it could be inferred that the presence of the logo is indicative of NAJIT's endorsement of the services provided or of any work product.

Misuse of the NAJIT logo, NAJIT's name, or NAJIT membership information as provided by the Bylaws, may result in a temporary or permanent loss of membership upon review of any such incident by the Board of Directors.
