

Nadia Kowalski
Marketing Specialist

Nadia is the Marketing Specialist at NAJIT, responsible for developing and executing marketing strategies that promote the organization's initiatives and events.

With a focus on digital and traditional marketing channels, Nadia works to increase visibility, engagement, and membership for NAJIT.

Nadia leverages her creativity and expertise to craft compelling content, manage social media platforms, and design impactful campaigns that resonate with the judiciary interpreting community. Her work ensures that NAJIT's message reaches a broad audience, supporting the organization's mission and advancing its goals.
